See you again!

Just because you have received your degree does not mean you have to bid farewell to your university once and for all.

Keep in touch with us and with each other – in H-BRS' alumni network.

Come and re-unite with your professors and former classmates and meet up with professionally-experienced alumni. Join our groups in the social networks. Our Alumni Newsletter and the 'doppelpunkt:' university magazine will keep you up to date. On our website you will find alumni profiles and reports – there is still room for your contributions, too. This service and others are free for you to use.

Simply come back and join our annual reunions and meet-the-expert events, enrol in a Master's degree programme or attend our 'Unternehmenstag' (career fair) – or visit us to tell our current students about your job.

The H-BRS alumni network is open to everyone: our university's graduates, students and employees. Whether you wish to simply join in, contribute your ideas or get actively involved – we will be happy to hear from you.

Please sign in to our free network – either online or using the form below (short link: <http://ow.ly/UXAIY>)
