**Bachelor of Science (B.Sc.) in Applied Biology
Studies at the University of Applied Sciences Bonn-Rhein-Sieg
Winter term 2019/2020**

Dear students,

Welcome to the Department of Natural Sciences at the Bonn-Rhein-Sieg University of Applied Sciences in Rheinbach. We are looking forward to meeting you!

Your classes will start

on Monday, 16th September 2019, at 13:30 p.m. in the lecture halls 1 and 2, Campus Rheinbach.

The following programme has been organised for your first day:

- | | |
|------------|--|
| 13:30 p.m. | welcome address |
| 14:45 | Introduction into your study programme <i>Bachelor of Science in Applied Biology</i> (lecture halls 1+2) |
| 15:30 | Welcome of new students and campus orientation by representatives of the student body |

You will find further information concerning the programme of the first two orientation weeks on the internet (<https://www.h-brs.de/en/anna/orientation-weeks>) available from the beginning of September. During the orientation weeks for example safety instructions or preparatory courses will take place. Please note that for some of the courses attendance is mandatory. Additional information about further supporting and mentoring offers for new students is also available on the internet. So please check them regularly. Your course schedule for the winter term will be given to you during the orientation weeks.

Again, I am looking forward to welcoming you to Rheinbach in September.

Yours sincerely,

Signed Prof. Dr.-Ing. Michael Heinzelmann
