Hello and welcome,

We are very happy to see that you are interested in the degree programmes offered by the Department of Management Sciences at the Sankt Augustin Campus. We have a lot to offer to you:

- One of the best practice-oriented degree programmes in the area of Business Management in Germany: our Department is regularly ranked among the Top Ten of Germany's universities by human resources managers and students alike.
- We provide tuition in small groups – which ensures close contact with our tutors. Our library has won several awards.
- You will find all this in the vicinity of one of Germany's most beautiful cities: discover Bonn, Ludwig van Beethoven's native city, which is renowned for the wide variety of sports and leisure activities it provides. In addition, Bonn is home to the headquarters of Deutsche Telekom and Deutsche Post DHL. We maintain manifold interconnections with these groups.
- We are located at the heart of Europe: Why not visit the Netherlands or Belgium by train within roughly two hours? It will take you the same amount of time to get to Munich, Paris, Rome, London, Dublin, Vienna or Prague from Cologne/Bonn Airport.

As you can see, there are many good reasons for deciding to study with us. If you have any queries, please do not hesitate to contact us. We hope to see you in Sankt Augustin soon!
