

LOCATION

The university is located in the heart of the lively Rhineland region, near the cities of Bonn and Cologne, a region that enjoys a strong scientific tradition. Eleven European capitals are within one day's travelling time of Bonn.

H-BRS University of Applied Sciences has three campuses: Sankt Augustin, Rheinbach and Hennef. Together with selected research partners, it runs the b-it institute in Bonn.

HOCHSCHULE BONN-RHEIN-SIEG University of Applied Sciences

- We provide training for specialist and management positions in a global job market, either in a company or as an entrepreneur.
- You can continue studying in a Master's degree programme or start your PhD and become a member of our university's Graduate Institute.

What we expect from our students

- Excellent grades in school and top scores on entrance examinations
- Good English language skills
- Motivation, willingness to work hard
- Active participation in class, projects

The language

For the Bachelor's degree programmes taught in German, a pass score of DSH2 on the Deutsche Sprachprüfung für den Hochschulzugang (DSH) or a mark of TDN 4 in all parts of TestDaF or telc Deutsch C1 Hochschule is required.

An exam preparation course for the DSH is offered to students who have certified proof of German language skills on B2 level and pass a placement test:

 www.h-brs.de/en/application-dsh-preparation-course

TOEFL, IELTS or an equivalent exam is required for degree programmes taught in English. The exams may be taken in your country.

Learning German during your studies

- Courses in German as a foreign language (DaF)
- Tandem language learning and Writing Centre
- Independent learning opportunities
