Application for Recognition of credits earned in another degree programme or at another university.

Recognition of credits is possible if there is no substantial difference between the achievements. This applies in particular to the scope (credit points) and the content (including internships, where applicable).

Please note: If a degree programme has been definitively failed, enrollment in the same or a similar degree programme is not possible.

The following documents must be attached to this application:

- A current transcript of records showing both passed and definitively failed examinations.
- For each credit or achievement for which recognition is requested, the corresponding module description from the other degree programme or university.

The following credits are submitted for **recognition**:

No.	Module title*/number of the academic achievement completed in another degree programme or at another higher education institution	Grade/ Credits	Module title*/number at Bonn-Rhein-Sieg University of Applied Sciences for which recognition of the completed academic achievement is requested	Grade/ Credits
