

Culture Programme @Home

Dear students,

In view of the current situation, we have come up with several ideas that will allow you to discover German culture while staying at home. Just register to the LEA group [“Culture Programme @Home”](#) where you will find a compilation of online content to enjoy interesting culture offers from your living room, including:

Learning German

Try out enjoyable interactive courses, online and video series to improve your language skills.

German culture scene

Experience live concerts, performances, plays and music podcasts.

Virtual museums

“Walk” through exhibitions, enjoy history and have a look to thousands of art collections.

Movies and clips

Find your favourites - from classic and modern films to documentaries and clips about the Germans' little secrets.
